

Moving the vision forward

The realization of these projects will not only generate additional revenue but also create spaces to implement new programs, including:

- a life giving retreat program to help churches connect, grow and re-imagine mission;
- a small gap year program catering to young adults;
- expanded land-based education programs; and
- a cabin and place of rest & respite for families of Murdered and Missing Women, Girls, and Two-Spirited+.

Beyond the programmatic developments, our development plans will also help us:

- become more financially and environmentally sustainable;
- improve and update Camp Assiniboia's existing infrastructure;
- establish a building/infrastructure replacement reserve fund;
- expand the number of year-round staff to meet current and future demands;
- strengthen our marketing and communications capabilities; and
- streamline costs to Mennonite Church Manitoba.

Join us on this exciting journey and help us build upon the 75-year Camps with Meaning legacy and move into a sustainable future.

Camps with Meaning is a vibrant, growing ministry

Camps with Meaning is a vibrant, growing ministry, guided by gratitude for the countless volunteers and supporters who have generously given their time, energy, and resources to make camp possible. We are standing on a firm foundation of 75 years of ongoing ministry – a legacy of love in Manitoba. Currently, we welcome over 7,000 guests, 600 campers, and approximately 70 summer staff members each year. Our camps,

nestled in the beautiful RMs of Cartier (Camp Assiniboia) and Turtle Mountain (Camp Koinonia), offer a diverse range of activities and programs designed to meet the needs of our campers and guests. With the success of this new capital campaign, we will be able to continue and grow our camp ministry as well as offer radical hospitality to every camper and guest who comes on site.

Campaign Projects

15 essential projects at Camp Assiniboia

- build a new retreat centre (with capacity for up to 150 people)
- build a separate overnight facility (motel style with up to 4 guests per room, 12 rooms)
- convert our riding arena into an indoor rec centre
- replace our pool with a splash pad
- build 2 new houses to accommodate the extended leadership (or gap year) program
- build a new cabin for families of murdered and missing indigenous women, girls, and Two-Spirited people (MMIWG2S+)
- build a yurt for land-based programming
- make improvements to existing buildings and infrastructure, including a new lift station
- redevelop the main lodge including expanding the kitchen to accommodate additional guests

Completed at Camp Assiniboia (\$1.28 million)

- build 4 new winterized cabins
- replace the maintenance shop
- replace the ropes course
- relocate Moose Lake's picnic shelter
- build a lake
- improve our dike and flood protection system

3 projects at Camp Koinonia

- replace 6 cabins (2 winterized)
- build a new mini conference centre
- purchase a pontoon boat

(Total Assiniboia and Koinonia projects (approx \$8.6 million))
