

A E D A
God's kingdom is upside-down, and inside-out

D A E A
Back to front and round about. (clap clap clap clap)

E D A
We count from Z to A, and 10 to 1

D A E A D A E A
And now our song is almost done.

E A D E
1. If you're a servant you're the greatest when this kingdom comes

A D E
You get ahead by letting all the others go in front!

God's kingdom is upside-down, and inside-out
Back to front and round about. (clap clap clap clap)

We count from Z to A, and 10 to 1
So let's let others go in front!

2. Jesus picked the kids to come and sit around with him.
And then he told the grown-ups they could learn alot from them!

God's kingdom is upside-down, and inside-out
Back to front and round about. (clap clap clap clap)

We count from Z to A, and 10 to 1
So let's help grown-ups have some fun!

3. The kingdom grows when we share justice if there is a fight.
God's Spirit in us helps us know how we can make things right.

God's kingdom is upside-down, and inside-out
Back to front and round about. (clap clap clap clap)

We count from Z to A, and 10 to 1
And now our song has just begun!
