

1 Corinthians 13

Author Unknown

Am G
If I have the eloquence of men and angels too
Am G
But have not love oh Lord then what shall I do?
Dm Am
If I have prophetic powers and understand all things
Dm Am
But have not love oh Lord, I am nothing.
Dm Em Am
Oh nothing.

If I have all faith so as to move the mountains high
But have not love oh Lord then who am I?
And if I sacrifice my body to be burned
But have not love in me, what have I earned?
Oh, nothing.

Love has no boast nor does it harbour foolish pride
Love is not jealous or resentful inside
Love is not arrogant or rude in any way
Love won't insist upon its own way.
Oh, love

As for prophesy and knowledge, they will all cease
Love alone remains and gives us hope and peace
And if we accept the love of Christ, God's only son
We find we too can love as Christ as done.
As Christ has done.

All In All

Dennis Jernigan

^C You are my ^G strength when I am ^{Am} weak,
^C You are the ^F treasure that I seek,
^{C G C G} You are my all in all,
^C Seeking you as a ^G precious ^{Am} jewel,
^C Lord, to give up I'd be a ^F fool,
^{C G C} You are my all in all

CHORUS ^{C G Am C}
Jesus, Lamb of God
^{F C G C G}
Worthy is your name
^{C G Am C}
Jesus, Lamb of God
^{F C G C}
Worthy is your name

Taking my sin, my cross, my shame,
Rising again, I will bless your name
You are my all in all
When I fall down, you pick me up,
When I run dry, you fill my cup
You are my all in all.

Be a Sower

Camps with Meaning, 2013

Be a sower, plant a seed
Let it grow into a tree
Give it water, watch it grow
And give it the love that it needs

Be humble, and gentle, and always keep looking for peace

God makes the sun rise, on the good and the evil

Rain fall, on the rocks and the weeds

Let's be loving, to one another

Join in God's circle of peace

Be a listener, listen close
When you find a friend in need
Talk to Jesus, Jesus knows
And He'll give you comfort and peace

Be a dreamer, work for peace
Turn your sword into a plough
With our neighbours, we will seek
To make change as God shows us how

God help me live a life

Camps with Meaning, 2007

Guitar: Em G A G (repeats the whole time)

God help me live a life worthy of you
Help me show your love in everything that I do

When you raise your temple up it will dominate mountains
Higher than the highest peak over flowin' fountains
Teach on a higher level see enemies as brothers
Stop teaching children better ways to kill each other
Turn swords into shovels - make spears into hoes
Nations won't play nations – in wars anymore.

You called my name before and I was scared to listen, speak
__ I am your servant and I'm ready for my mission
I've made my decision my position is clear
Pass me through the fires Lord, and cleanse me of this fear
I can't fail with your love blessed with success surely
If I live a life for you as I was called to be worthy.

All these towers of earthly powers you're gonna crumble
Take this glamour and glitz, reduce it all to rubble
The last will be first and the first will be last
So when you get bumped in line step back and let 'em pass
The hungry will eat their fill, heal every ill person
This isn't just slight change it's complete role reversin'.

House of Peace

Jim Croegaert

(Capo 4)

A G#/E
You have brought us to very far, in so short a time

G D
In spite of our weaknesses, in spite of all our crying

A
You are worthy of everything,

E
Every word of praise

G
Every song that we'll ever sing

D
Fountain of all grace.

F E Am Dm E A
Our High Priest, make us a house of peace.

Like the sun on a mountain top, a city on a hill
Like a river that never stops, let our love reveal...

In the cold of the winter's night, in the summer's day
In the changes we often fight, let us learn to say...

Less of Me

Glen Campbell

D **G** **D** **A**
Let me be a little kinder, let me be a little blinder
G **A**
To the faults of those around me, let me praise a little more.
D **G** **D** **A**
Let me be when I am weary, Just a little bit more cheery
G **A** **D**
Think a little more of others and a little less of me.

Let me be a little braver when temptation bids me waver
Let me strive a little harder, to be all that I should be
Let me be a little meeker with a person who is weaker
Let me think more of my neighbour and a little less of me.

Let me be when I am weary just a little bit more cheery
Let me serve a little better those that I am striving for
Let me be a little meeker with a person who is meeker
Think a little more of others and a little less of me.

Where there's despair in life, let me bring hope
Where there is darkness only light,
And where there's sadness, ever joy
Please send your power of peace unto us all.

Oh Lord grant that I may not so much seek
To be consoled as to console
To be understood as to understand
To be loved as to love.

It is in pardoning that we are pardon'd

The River is Here

Andy Park

^C

^{C G D G}
And it brings refreshing wherever it goes
^{C G D G}
Through the valleys and over the fields
^{C G D G}
The river is rushing and the river is here

^G
The river of God sets our feet a-dancing
^{D G}
The river of God fills our hearts with cheer
^{C G}
The river of God fills our mouths with laughter
^{C G D G}
And we rejoice for the river is here.

The river of God is teeming with life
And all who touch it can be revived
And those who linger on this river's shore
Will come back thirsting for more of the Lord.

Up to the mountain we love to go
To find the presence of the Lord
Along the banks of the river we run
We dance with laughter giving praise to the Son

So we finally pull our heads, out of the sand
Where there's light and warmth of sunshine,
And it never is dark again.
