If you have any questions or would like to talk more about what a leadership position might look like for you in 2022, please don't hesitate to contact Janet Peters (204-896-1616 or jpeters@mennochurch.mb.ca) or stop by the Camps with Meaning office at 600 Shaftesbury Blvd.

4 Month Schedule

We strongly encourage applicants to commit to the full 4 Month Schedule. However, we recognize that there are particular situations that would prevent applicants from being able to commit to the full duration (i.e. courses, traveling, previous commitments, etc.). Hiring decisions will be made based on a combination of these factors: qualifications, suitability to job description, duration of commitment, experience, and maturity, among others. A copy of this year's leadership schedule of weeks is available on our website so please take a look at it. Please note that some items may be subject to change.

1. Please indicate the degree you are able to commit to the full 4 Month Program Schedule.

2. What does being in a leadership position mean to you?

3. Describe your understanding of the mission of Camps with Meaning. How will your gifts help achieve that mission?

4. How does being in a leadership position differ from working as a counsellor or activity leader?
