# What is Camps with Meaning?

[www.mennochurch.mb.ca](http://www.mennochurch.mb.ca)

**CAMPS WITH MEANING** (CwM) is the Camping Ministry of Mennonite Church Manitoba (MCM).

Camps with Meaning serves the MCM congregations and the larger community through facilities and programming (Camp Assiniboia and Camp Koinonia).

In our summer programming we reach out to kids and youth, as well as adults with mental and physical disabilities, from across Manitoba: inner-city to rural. We invite campers to a fun-filled week of activities, community and experiencing God's love. We reach out so that we can invite campers to life in Christ! At Camps with Meaning, **we are connecting campers with creation, community, and the Creator!**

## Summer Program Goals

We ask all our summer staff to help create an atmosphere conducive to:

...discovering and nurturing of a meaningful relationship with Jesus Christ and commitment to Him and His way of life.

...affirming the worth of self and others, as well as developing skills in community living.

...developing an appreciation for the natural environment, learning responsible stewardship of it and responding in worship to the God who created it.

## Working at camp is awesome because...

**You'll grow!** Spending time at camp in ministry is a stretching and growing experience second to none!

**You'll develop skills!** You'll learn to work with children and youth through training and practice. You'll have chances to get trained and experienced in anything from wall climbing, sailboarding, ropes instructing, canoeing, etc. Please inquire about training opportunities when you apply!

**You'll create lasting friendships!** You'll meet new friends and spend the summer developing relationships that will last!

**You'll be building God's people!** God calls us to serve. Camp ministry, in any role, is a great way to respond in gratitude for what God has and is doing in your life. And you get to share that great news with many others.

**Camp work looks great on a resume!** It's true! Ask any employer. The skills in working with others, community living, development of the whole person and the many skills that camp work requires are signs of a person of integrity and good character.

# Camps with Meaning Statement of Faith

## (from Confession of Faith in a Mennonite Perspective)

We believe in God the Creator of all, who has called forth a people of faith. We believe in Jesus Christ, the Word become flesh, crucified and resurrected for us. He is our Saviour from evil and sin, our peace and the exalted Lord of the church. And we believe in the Holy Spirit, the source of redemption and life.

We who respond to Christ in faith are his church, the community called to proclaim and to be a sign of the kingdom of God, the new people sustained by Scripture and Spirit. Thus we continue the mission of Christ, making disciples, forgiving, restoring, baptizing believers, sharing the Lord's Supper, using our gifts in unity and love.

We commit ourselves to follow Jesus Christ, in his path through suffering to life. By grace we are being changed into the image of God, in which God created women and men. As faithful disciples, we hear Christ's call to life in the Spirit in relation with God, to chastity, stewardship, love for the enemy, to the practice of justice and peace.

## Important Program Information & FAQs

**When is Staff Training Week?** July 3-7, 2022

**When can I complete my 2 required Supervised Experienced Weeks?** You must complete two weeks of supervised experience during summer 2022 to fulfill the SLT Program requirements. There are three options for supervised experience weeks: July 17-22, July 24-29, August 1-6. Please note that there are limited spaces for each supervised experience week and that SLTs will be placed accordingly.

**Can I work as anything other than a counselor?** Yes! If you have special training (ex: Lifeguard), please indicate this on the application. You may also be placed as a kitchen helper, an activity leader, childcare provider, farm crew, or maintenance helper.

**What is the Creation Adventure like?** In a word: AWESOME! It's also challenging and unifying and fun. You will hike the trails and canoe/portage the lakes of Turtle Mountain Provincial Park for 5 days in a cohort with other SLTs and 2 leaders. You will carry all of your food with you and purify water along the way. You will need a hiking backpack, good hiking shoes, and a positive attitude. Please communicate any health concerns with your SLT Director prior to the trip.

**I really want to work at one specific camp. Can I?** We encourage all camp staff to be open to working at any camp. You just might be surprised at how you see God at work at both camp sites. Therefore, depending on needs, you may be placed at Koinonia or Assiniboia.

**How should I get to the weeks that I am working at camp?** All camp staff are required to find their own rides to camp. The CwM Summer Staff Facebook page is a great way to find rides. One great option is to take the bus that goes to Koinonia. More info and sign up will be available during Training Week.

## Financial Information

**Spirit of Service:** Camp work is "voluntary service" in that the remuneration received cannot match the effort required to perform faithfully.

**Home Church Sponsorship:** The MCM churches gave birth to Camps with Meaning and continue to support it. Please ask your home church to sponsor your honorarium (**Tuition is to be included with application**).

# Camps with Meaning Staff and Volunteer Covenant

I, \_\_\_\_\_, am entering into an agreement with Camps with Meaning with a desire and expectation for a great summer of growth and fulfillment through service and ministry. I agree that by working at camp, **I will represent Mennonite Church Manitoba and its Anabaptist/ Mennonite theology to the best of my ability.** I agree to abide by the policies and expectations of Camps with Meaning, as outlined in the Camps with Meaning Summer Staff Manual, bearing in mind that the safety of all people in the community is of paramount importance.

**I understand that it will be hard work, requiring the kind of commitment that goes the extra mile.**

**I commit to being responsible for serving the needs of others, both campers and staff, and know that sometimes that will mean putting their needs ahead of my own.**

I am aware that living and working with other staff for an extended time can cause both healthy and unhealthy relationships. I commit to working through interpersonal issues directly with the other person, constructively and with openness, and trust that others will do the same for me. I believe that as a Christian community, **we are called to be responsible to the group**, accepting the disciplines of a community working towards a common goal.

As a member of this community of faith and service, I commit to nonviolence and will not participate in abusive (sexual, emotional, or physical) forms of contact and/or verbal behavior with campers or staff. I will work to ensure that my language is upbuilding to those around me at all times, and will be especially conscious not to use derogatory or inappropriate language in the presence of campers. I will not use alcohol, tobacco and/or illicit drugs on camp premises and I will not view pornography or participate in sexual intercourse outside of marriage on camp premises.

**I will be sensitive to the needs of campers**, spoken or unspoken, and work to make the camp environment one where everyone feels safe. As a role model, I will discourage the expression of ridicule among campers and counselors. I will not tolerate bullying or harassment in any form. **I will encourage the abilities and positive aspects of each person.**

I will be conscious about how I represent myself, Camps with Meaning, and Mennonite Church Manitoba through my actions in public and on social networking sites. I am aware that **I will have a profound effect on the campers** and will conduct myself in a manner worthy of being a summer staffer and a faithful member of God's community.

**I will expect to have fun!**

I have read the expectations described on this form and have been given opportunity to ask questions on items I did not understand. **I certify that the above information is true to the best of my knowledge and that misrepresentation and/or failure to abide by camp policies, as interpreted by the SPDs, Associate Program Director, and/or Director of Camping Ministries, may be grounds for my dismissal.** I willingly enter this covenant for the duration of my summer employment with Camps with Meaning, understanding and accepting the reciprocal benefits and mutual responsibilities that it entails. I hereby agree to abide by the policies of Camps with Meaning.

Welcome to the Creation Adventure portion of the SLT EXPERIENCE!! The out-tripping which is part of the Creation Adventure is a wonderful learning experience. We have designed our programs and selected our staff to provide a safe adventure.

Preparation is essential for a successful trip. Participants should bring a spirit of cooperation in all tasks and a willingness to work hard. A complaining spirit, dangerous pranks and sloppy environmental habits are not acceptable on out-trips.

Our leaders are experienced in tripping and have safety as a key goal. They will have at least basic first aid, and will follow standard procedures in case of emergency. At least one of the leaders will have Remote First Aid, and each group will have an emergency GPS Spot device. Leaders have selected the route with safety in mind.

Hazards which may be encountered in this trip include: inclement weather, rough water. In addition, at times the participants will be several hours distant from emergency services and out of cell phone range. Inconveniences which may be encountered include sore muscles, insects, rodents. Policies and procedures in place to cover these hazards and inconveniences include: all persons in canoes will wear lifejackets at all times; we will attempt to have a lifeguard on the canoe leg of the Adventure, but this cannot be guaranteed; no travel permitted in unsuitable weather conditions, participants will be instructed to bring insect repellent and proper clothing and safe food storage procedures will be in place. In addition, qualified instruction is provided in camping skills and mature leadership is used in adapting to conditions and assessing participant ability to meet challenges. Leaders will be equipped with communication devices.

Any swimming during the trip will be at the SLT's own risk. Leaders will instruct the participants to use the shallow end only of marked swimming areas, or the shallow area of any unmarked area. We cannot assure that our staff will include a lifeguard.

If you have any further questions about the route, trip itinerary, equipment, etc., call our office at (204) 895-2267.

**Parents: Please sign and return the form below to indicate you have read and discussed the above information with your camper. Do this as soon as possible. Failure to do so will disqualify the SLT from the trip.**

## BEHAVIOUR COVENANT

I have read all the information about the trip and have discussed it with my child. He/she is prepared for a physically strenuous trip and is committed to act responsibly on the trip. If my child does not act in a proper manner, I authorize Camps with Meaning to send him/her home at my expense.
